

International Human Resource Management, 1995, 214 pages, Dennis R. Briscoe, 0131910086, 9780131910089, Prentice Hall, 1995

This up-to-date, comprehensive reference was written in response to the expanding role of international content within Human Resource Management. Reflecting both empirical research and the state of practice in the industry, it reflects information from consulting firms, national and global HRM conferences, and interviews with HRM managers in multinational and global firms. To reinforce concepts and principles, author Dennis R. Briscoe incorporates IHRM in Action boxes featuring actual companies. In addition, an entire chapter (9) explores the future of IHRM, complete with the latest references and research.
